

URBAN PLANING AND SUSTAINABLE REFURBISHMENT

RENAISSANCE PROJECT, Zaragoza Final Conference

June, 4-5th 2012. Zaragoza, Spain
Paraninfo de la Universidad de Zaragoza.
Plaza de Basilio Paraíso, 4.

After...

...more than 1 million square meters built up, 14.422 refurbished, a school refurbished and an interpretation centre on urban sustainability carried out...

...More than 320 monitored dwellings, 1.600 analyzed, weekly meetings and training with inhabitants, technicians, etc...

...7 years of Project in Zaragoza (Spain), Lyon (France) and Lombardia (Italia)

We would like to invite you to know our work and our conclusions and to rethink together on urban planning and sustainable refurbishment
